

Dell Inspiron Duo

The Dell Inspiron Duo is a unique and versatile tablet PC that offers many features for a very reasonable price. The Duo comes loaded with Windows 7 Home Premium and a dual-core processor. Unlike other tablets, the screen on the Duo flips 180 degrees vertically and is hinged in the center of the lid. Weighing only 3.39 lbs, the Duo is lightweight and easy to carry around with you when you are in the field. With almost 4 hours of battery life, the Duo is an ideal tablet PC for any home inspector looking for a large screen and lightweight design. Conduct your inspection on the tablet and then simply open it and flip the screen to finish your inspection on your desk back at the office. The Dell Inspiron Duo base model starts \$549.99.
